WEEK 1: WIZARD OF OZ DRAMA CAMP

This week, as Halloween approaches we will delve into a magical story of witches, wizards, munchkins, and a far away land 'somewhere over the rainbow' with L. Frank Baum's 'The Wizard of Oz'.

"When a tornado rips through Kansas, Dorothy and her dog, Toto, are whisked away in their house to the magical land of Oz. They follow the Yellow Brick Road toward the Emerald City to meet the Wizard, and en route they meet a Scarecrow that needs a brain, a Tin Man missing a heart, and a Cowardly Lion who wants courage. The wizard asks the group to bring him the broom of the Wicked Witch of the West to earn his help."

Students will work through this dream-like musical by exploring familial fairytale archetypes, and developing characterizations through physical and imagination exercises all while "making the journey back home". The week will be packed with various games and activities; singing and dancing to the songs of 'Somewhere Over The Rainbow, Ding Dong The Witch is Dead, and Ease on Down The Road', as well as arts and crafts.

Each student will eventually have their own role to play, all while working together to put on a full production at the end of the five days.

The background of the slide is a collage of four identical images. Each image shows a jack-o'-lantern with a classic carved face (triangular eyes, a triangular nose, and a jagged, toothy mouth) sitting on a forest floor covered with fallen autumn leaves. In the background of each image, there are several thin, light-colored tree trunks and more autumn foliage in shades of orange and yellow.

WEEK 2: TRICK OR TREAT WEEK

This week is all about Halloween! As Halloween is this Monday (October 31st), we will be celebrating this holiday all week long. Your children will participate in arts & crafts, games, science, drama activities, & more all in the theme of Halloween. Friday, November 4th, your children are invited to come to our center in costume, where we will be having a Halloween party & snack in the afternoon.

A collage of autumn-themed food items. On the left, a metal tray holds several golden-brown cookies, some with decorative patterns. In the top center, a single red maple leaf rests on a rustic wooden surface. To the right, a whole orange pumpkin is visible. Below the pumpkin, a white plate contains several pieces of yellow cheese, some of which are shaped into small pumpkins using a cookie cutter. The background is a mix of these elements, creating a warm, seasonal atmosphere.
