For children aged 3-11

Week 1: Monday, October 25th 2021-Friday, October 29th 2021

Week 2: Tuesday, November 2nd 2021-Friday, November 5th 2021

Être et Découvrir!

Both weeks of our holiday camps will take place at the school 'Être et Découvrir' in Saint-Nom-la-Bretèche. The school is located an 8-minute drive from our actual center at:

13 bis Rue Lecoq
78860 Saint-Nom-la-Bretèche

If you have difficulty finding the location, please call Anahita at
06.21.58.96.58 or 01.72.55.21.52

The background features a dark orange and black color scheme. At the top, a large, glowing full moon is partially obscured by the silhouettes of bare tree branches. Two black bats are flying in front of the moon. In the bottom right corner, several glowing jack-o'-lanterns with various faces are visible. The overall atmosphere is spooky and festive.

Week 1: Halloweek!

This week is all about Halloween! As Halloween will be Sunday, October 31st, we will be celebrating this holiday all week long. Your children will participate in arts & crafts, games, drama activities, & more all in the theme of Halloween. Friday, November 5th your children are invited to come to our center in costume, where we will be having a Halloween party & snack in the afternoon.

Week 2: Beetlejuice Drama Camp

This week, as Halloween has just passed, we will take to the stage with the story of Michael McDowell's Beetlejuice: a ghostly, gothed-out fairytale for the ages.

"Adam and Barbara are a normal couple...who happen to be ghosts. They have given their precious time to decorate their house and make it their own, but unfortunately a family is moving in, and not quietly. After failing to scare them away, the couple turn to an expert fright-master named Beetlejuice to help....but Beetlejuice has a scheming agenda of his own.."

Students will explore this 'strange and unusual' dark comedy by bringing absolute absurdity to character exploration, singing and dancing to the songs of 'Banana Boat', and 'Jump In The Line", and partaking in various games/activities, and arts and crafts. Each student will eventually have their own role to play, all while working together to put on a full production at the end of the five days.

The background of the slide is a collage of autumn-themed images. It features several pumpkins in various sizes and colors (orange and yellow), cinnamon sticks, and several pumpkin pies. Some pies are in metal tins, while others are in small, round, rustic-looking crusts. The pies are topped with a dollop of white cream. The background is a dark, textured surface, possibly wood, with scattered autumn leaves in shades of orange, yellow, and brown.
