FILM MAKING CAMP

Taught by LOUISE DENYER – NATIVE BRITISH ACTRESS & ACTING COACH

WEEK 1: Monday, February 12th – Friday, February 16th

Get ready for our dynamic and exciting **"Acting in English"** workshop! Aimed at kids aged 7 to 11, this 5-day, full-day program combines performance improvisation and film-making for comedy. Participants will engage in fun improvisation activities, leading to a tournament for family and friends, and create their own comedy films and clips to showcase at the end of the week.

The workshop is divided into two parts: **Performance Improvisation** and **Film-making for Comedy**. In improvisation, kids will learn essential skills for confident and dynamic performance, including storytelling, showmanship, and audience interaction. This boosts confidence and English fluency, vital for public speaking and presentations. In film-making, students will write, act, and direct their comedy scripts, focusing on creating humor, tension, and authenticity. They'll learn about sound, lighting, music, and filming techniques in various settings, all in a fun and safe environment.

We invite families and friends to join us at the end of the week for a live Improvisation Tournament and a showcase of the students' comedy films and clips. Don't miss this opportunity to explore comic performance improvisation and film-making for comedy. Contact us for more details and sign up today for an unforgettable experience!
