Join us this April on a magical and **theatrical musical adventure** to Neverland – an enchanting island where the imagination has no bounds. Our camp students will explore the timeless story of Peter Pan before performing a musical version of the story at the end of the week.

Peter Pan, a mischievous young boy, secretly visits the Darling children's home in London where he loves to listen to their mothers' bedtime stories. One night he invites the children to join him on a thrilling adventure to Neverland. After flying through the night sky, they land on his mythical island - where adventure awaits. In Neverland, they encounter a host of memorable characters, including the Lost Boys, a group of boys who never grow up, Enchanting Mermaids and the fearsome Captain Hook, the leader of a band of hapless pirates.

Students will spend the week singing, dancing and acting. They'll learn new skills, play themed theatre games and fully immerse themselves in preparing the end of week show. Our swashbuckling adventure will include special skills in Stage Combat and Physical Comedy. In addition to honing their performance skills, students will also get involved in the behind-the-scenes magic of theatre. Our camps let the students creativity run free and help to build their confidence and self-expression.
