# FORBIDDEN PLANET - DRAMA CAMP

## A SPACE THEMED ROCK' N ROLL SHOW!

Captain Tempest and his crew are on a routine expedition when they accidentally fly into an asteroid field. Lost and needing to repair their ship they land on a distant planet where they meet a scientist, Prospero. Will he help them get back into space? Or will he lead them to more dangers on the strange Forbidden Planet?

Based on a real musical this super fun show has a playlist of well known rock n roll songs including Hey Mr Spaceman and All Shook Up. The children will spend the first few days exploring the themes of space and 'rock n roll' as well as learning group material from the show. We will play theatre games, work on our rock voices, learn to jive and let our imaginations take us to a galaxy far far away! We will then prepare a short version of the musical ready for a performance on Friday. The show will be adapted to meet the needs of the group but all the children will sing, dance and act. Our drama teacher is a trained musical theatre performer with 13 years experience teaching performing arts and directing children's theatre.
