The magical world of Harry Potter is filled with **imagination, adventure, mysterious creatures, potions and spells**, making it an exciting theme for children to explore.

Children will join their own magical house and enjoy **treasure hunts, potion-making, science experiments, wand-making, arts & crafts, cooking, drama, quizzes, outdoor games and plenty of magical challenges**.

Through play and imagination, children will naturally build their English vocabulary and skills, whatever their level.

The week ends with a special **Halloween celebration**—costumes encouraged! 🎃 ⚡

MATILDA: A WEEK OF THEATRE AND IMAGINATION!

This October half-term, step into the wonderfully imaginative world of Matilda, Roald Dahl's much-loved story about a brilliant young girl with an extraordinary mind, a love of books and the courage to stand up for herself and others.

 **Ages 6–11** will take part in a special theatre workshop led by our theatre teacher. Through drama, improvisation, music, movement, character work, costumes and prop-making, children will bring the world of Matilda to life!

 **Ages 3–5** will explore the same theme through storytelling, role-play, music, arts & crafts, science experiments, cooking, treasure hunts and games, specially adapted to their age.

Throughout the week, children will naturally develop **their creativity, confidence and communication skills** while exploring themes of friendship, courage, kindness and imagination.

 The week will end with a **special performance**, giving our young actors the chance to take to the stage and share what they have created!
